Quality review

Aims

To be able to quality review previous work leading to final report

To gain knowledge around the importance of debate

To develop communication skills

To justify peer quality review linking lessons one, two and three

Review your timelines in groups

Debate:

Everyone on the left-hand side of the room:

Justify the significant events in the timelines.

Discuss why no action should be taken against the practitioner.

Everyone on the right-hand side of the room:

Justify the significant events in the timelines.

Discuss why action should be taken against the practitioner.

Assignment - Time to conclude your case

Write a report concluding your research, with recommendations.

Word count: 700 words.

Remember to reference other's work and to add a reference list (not included in the word count).
