

Practice questions

A shop sells compost in 20 litre bags and in 40 litre bags.

One day the shop had two special offers for the compost.

2 bags for £3.50

3 bags for £9

Which offer is the better value for money?

You must show how you get your answer.

A shop has two different special offers on milk.

Which offer gives the better value for money?

You must show how you get your answer.
