

Bedroom Design

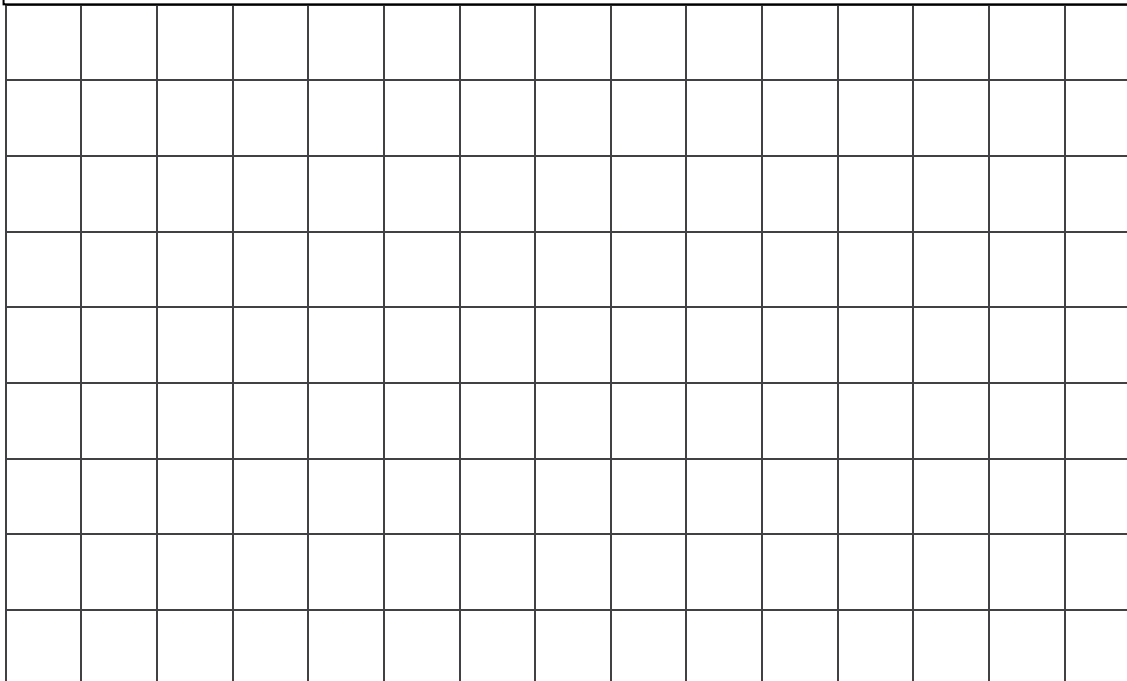

Task:

You are moving into a new bedroom and you have to decide what furniture to get and how to lay out the room.

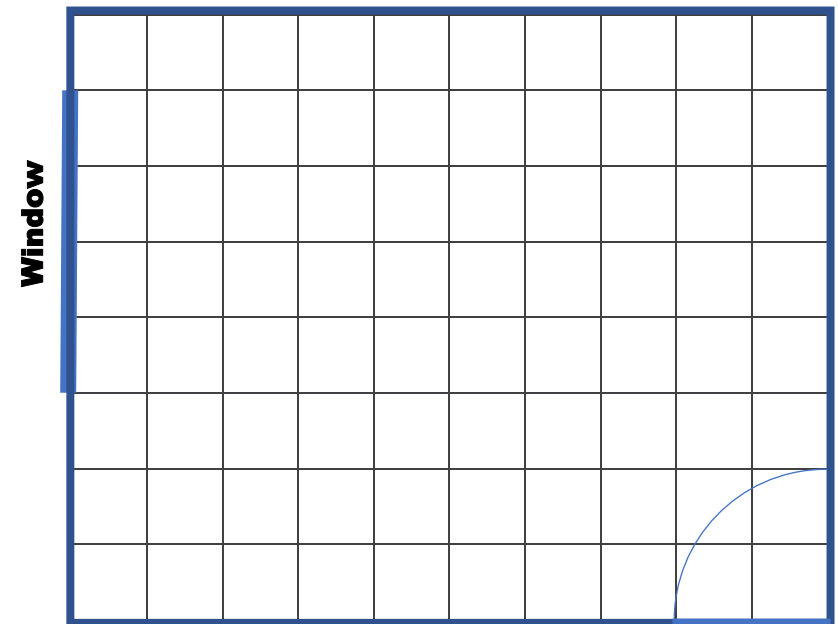

Choose at least 4 items from the furniture list and draw them on the plan of the bedroom below using the scale on the plan.

Make sure you leave space to move around!

You can use this practice grid to draw furniture to scale before placing them in the blue square.

Furniture	Length (m)	Width (m)
Single bed	2	1
Small double bed	2	1.2
Double bed	2	1.5
Double wardrobe	2	1
Single wardrobe	1	1
Large desk	1.5	1
Small desk	1	0.5
Bedside table	0.5	0.5
Small chest of drawers	1	0.5
Large chest of drawers	1.5	0.5
