

What's wrong?

In pairs, examine and discuss the charts below.

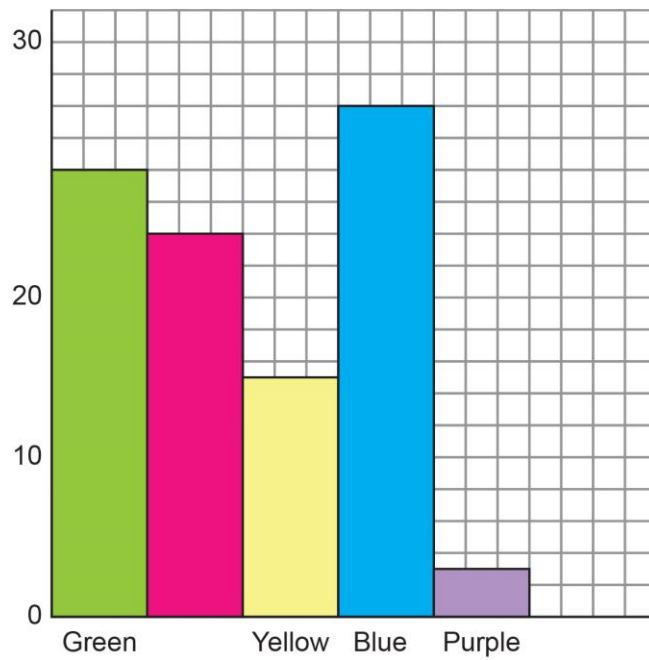

Note down all the things that are wrong with them, either things that are missing or mistakes in how they've been plotted.

baseball						
football						
soccer						
hockey						
basketball						

A Pictogram to show how many of each type of pet the class has.

Type of Pet	Frequency
Cats	11
Rabbits	8
Dog	13
Guinea Pigs	5
Hamsters	8
Fish	12

Pie chart to show the favourite sports of a group of people.
